When your life is a nightmare it might be that your dream has come true... Detective Susan Czerny investigates the murder of her lover - and finds a message from the dead. The message is a dark prophecy, which pushes her - a mother of two with a jobless husband and a drug habit to hide - towards her downfall.

4pm Killer at large documentary

Obesity rates in the United States have reached epidemic proportions in recent years. The CDC estimates that 110,000 people die per year due to obesity and 1/3 of all cancer deaths are directly related to it. Former Surgeon General Richard Carmona remarked that obesity is a more pressing issue than terrorism, 'Obesity is a terror within. It's destroying our society from within and unless we do something about it, the magnitude of the dilemma will dwarf 9/11 or any other terrorist event that you can point out...' From our human evolution and our changing environment to the way our government's public policies are actually causing obesity, Killer at Large shows how little is being done and what can be done to reverse it.
